Speaker Secretary

Maureen Birch

August 2017

Many thanks for taking the time to find out more about the Conservative Lunch Club.

The new Season starts on 4th October 2017 and concludes 7th March 2018.

As your Chairman, I look forward to hopefully welcoming you as a guest during the course of the season. Please know that the Committee are actively looking for new Members and if you decide to attend but do not know an existing member to arrange your attendance, I would be delighted to welcome you as my guest(s).

Our venue is the Ringway Golf Club , Hale Barns. The Lunch itself is freshly cooked and served to you at your table, together with dessert and coffee. Each month we have a different Speaker and that is thanks to the hard work of Maureen Birch, our Speaker Finder, and the entertaining presentations are always well received.

Arrival time is usually 12 for a start time of 12:30 and finishes around 3 to 3:30.

For Full Members we provide booklets giving further details, but, if you want to first attend as a guest, I am happy to provide further information and also discuss any dietary requirements.

You may be interested to know that the Club is over 45 years old and will continue to play its part within our Constituency as we move towards our 50th Anniversary. It is also an enjoyable way to meet and also make new friends, enjoy our Speakers, and certainly the Lunch itself.

I understand we are the last regular Conservative Lunch Club in this Constituency, the invitation to be first a guest, then a Member, therefore extends to our Constituency boundary.

All prices remain unchanged for the second year which is really good news.

Members Subscription £11, Members Lunch £16.50 and Guest Lunch £17.50. Raffles are held twice each year in November 2015 and March 2016. We encourage everyone to contribute, both in bringing prizes as well as purchasing tickets. Please know the Committee very much appreciate support for these events as they help keep the Club` balancing the budget` and avoid austerity measures!

As already mentioned if you would like further information, please do not hesitate to contact me. My number is 07393 450381 and email is karenalex1962@gmail.com .

If you would like to attend as a guest, please could you contact me by the 25th September for the October lunch. We do need to ensure the Hotel has numbers for catering in good time. If you wish to attend another month and do not have an existing Member to assist with your booking as a guest, then again please contact me in the first instance.

Kind Regards

Karen
