Caring & Campaigning for our Community

A THANK YOU FROM HALE CENTRAL WARD CONSERVATIVES

Cllr **Denise Haddard**

Cllr **Alan Mitchell**

Cllr **Patricia Young**

C/o Thatcher House, Green Lane,
Timperley, WA15 8QW

Dear Hale Central Resident

This letter is to write to thank you for your continued confidence in us by re-electing Patricia Young to represent you in Hale Central for a further four years. Cllr Young has been a committed and a loyal public servant for the Ward since 2004, and it was great to have your support yet again for her on the 2nd May and for her colleagues in previous years.

Your three Hale Central Councillors, Patricia Young, Denise Haddad and Alan Mitchell work for the good of all Hale residents and businesses and are as always, keeping a watching brief on planning, parking and other important areas that you are as concerned about as we are – all of us living in the Ward and taking part in the community life here.

One of the wider issues which we are concerned about is that of Children's Services, now under Labour Controlled Trafford. After just one year of Labour at the helm, the Conservatives efficient running of the Children's Services has gone from 'good' and 'outstanding' to 'inadequate'. If you would like to read more about this please go to

Nearer home, new revenue for Stamford Park might become available. Hale Central Conservatives will lobby for replacing the Victorian drains and children's playground equipment.

Please contact any of us if you have any issues you would like to discuss – we can usually meet with you in a couple of days.

With best wishes

Your Hale Central Councillors
